

Hi! My name is Mrs. Annie Johnson and I am very honored and excited about having your child in my class! This year will be full of fun and excitement, I personally cannot wait!

I am a graduate of The University of Alabama-Rollins Tide! I have a Master's Degree in Elementary Education and School Counseling.

This is the beginning of my tenth year working in Jackson county and my third year at Stevenson Elementary! I live in Scottsboro but I am originally from Rainsville and I am a Plainview High School graduate.

I am married to Torrey Johnson who is originally from Gordo, Alabama. Together we have three children: McGowan 7, Morgan 9, and Tyler 12. We are so very thankful for our family of five. We enjoy spending time on the river, fishing, swimming and just being together!

Again, it is my pleasure to meet your child and family. I know this year is going to be amazing!

As Ever,

Mrs. Annie Johnson
