Students and Parents,

I would like to welcome you all back for the 2019-2020 school year. I hope you had a wonderful summer break, it has flown by! The start of the year is always exciting, full of possibilities and expectations. Jackson County has lots of new and innovative things being implemented this year. I am eager to see how great our students can be.

I would encourage every student to take advantage of this opportunity to attain a quality education. Education is a critical step in the process of finding employment after graduation. Our goal is to have all students equipped with the skills necessary to further their education or find employment.

The Jackson County Schools Student/Parent Handbook is prepared to make everyone aware of expectations and procedures. Some of these are Jackson County specific and some are state wide. Rules are written and established to eliminate questions regarding particular behaviors and actions. I ask that you all familiarize yourself with the contents of the handbook as it covers many problem areas.

Jackson County Schools have dedicated administrators, teachers, and staff with a desire to educate students. I would encourage parents to support your students and their school. Parental support is a vital part of a successful education. Student accomplishments can be limitless if we all work together.

Thank you for your continued support of our students and our district. Please join us as we work side by side to move Jackson County forward. Again, welcome back and have a great school year. Good luck!

Sincerely,

Kevin Dukes  
Superintendent

\*ALL DATES ARE SUBJECT TO CHANGE

## SCHOOL OPENING AND CLOSING TIMES

Due to various bus schedules, each school will set **individual** school opening and closing times. Each school will make specific times available to all students. School personnel will be on duty and available to supervise and care for students during specified time periods.

**Parents/guardians are expected to take responsibility to ensure that their child complies with the supervised time periods.**

## SCHOOL VISITORS

All visitors in any school building, or on any part of the school campus, must report directly to the school office for written permission to visit said campus. A visitor is any person who is not a student, employee, or local official of the school. All school visitors must have visible identification at all times. School visitors who fail to follow this policy will be considered trespassers and may be subject to prosecution.

Students enrolled in the Jackson County School System are not permitted to bring student visitors to school during regular school hours without prior approval by the principal.

## EMERGENCY SCHOOL CLOSINGS

In the event of a school closing or early dismissal, an official from the office of the Superintendent of the Jackson County School System will notify the media and all parents listed in our \*RAPID ALERT and NOTIFICATION SYSTEM of specific details concerning the closing. Please **DO NOT CALL** the Central Office, individual schools, radio or television stations. All necessary details will be broadcast or televised as information is available.

WZCT Radio	Scottsboro	Channel 19	Huntsville
WKEA Radio	Scottsboro	Channel 48	Huntsville
WWIC Radio	Scottsboro	Channel 9	Chattanooga
Channel 31	Huntsville	Channel 12	Chattanooga
WBTS	Bridgeport		

\*The Rapid Alert and Notification System is a phone message program to ensure that the parents/guardians of all students are immediately notified of any school closings. This information is extracted from the Student Tracking Information System used by all schools in Alabama; therefore it is imperative that all student information is current.

**It is the responsibility of the parent/guardian to notify your child's school office of any changes of address or phone numbers.**

## **EMERGENCY DRILLS**

### **FIRE DRILLS**

Fire drills will be conducted according to the new guidelines (HB91) set forth by the Alabama State Department of Education. Fire exit plans are posted in all rooms occupied at any time by students.

### **TORNADO DRILLS**

Procedures for tornado drills are developed and conducted in accordance with ALSDE guidelines. All schools conduct drills at least two times per year during any of these specified months: September, October, November, January, February and March. Communications, first aid, and other similar concerns are then addressed at the direction of the principal.

### **TORNADO WATCH AND WARNING**

In the event a tornado watch or warning is issued, the principal or his/her designee of the affected school will take actions as specified in the approved Civil Defense Plan.

When a tornado **watch** is in effect at the end of the normal school day, students will be released by regular dismissal and transportation plans. When a tornado **warning** is in effect at the end of the normal school day, students will **not** be released by regular transportation plans (i.e. bus, car pools, private vehicles, etc.). However, students may be released during a tornado warning to his/her parent/guardian, provided the parent/guardian comes to the school to check out the student.

### **LOCKDOWN DRILLS**

Procedures for lockdown drills are developed and conducted in accordance with the Alabama State Department of Education guidelines.

## **STUDENT ACCIDENT INSURANCE PROGRAMS**

The Board will contract each year with a reputable insurance company to provide a voluntary low-cost student accident insurance plan. All students participating in school athletics must be insured under a catastrophic school accident policy. Athletic participants in both middle and high schools are required to either participate in the school accident insurance program, or have on file with the school official, a written statement from the student's parent/guardian that the student is adequately protected against accidents that may occur while participating in said activity.

## **RETURNED CHECK COLLECTION PROCEDURE**

In accordance with the Returned Check Collection Procedures Policy:

- ◆ Post-dated, counter or two-party checks will not be accepted.
- ◆ The school will send written notice to the writer of a returned check. A service charge of \$30 plus the original amount of the check must then be paid within ten days or further action by the office of the District Attorney will be taken.

## ENROLLMENT

It is the policy of the Jackson County Board of Education to provide educational opportunities for children on a nondiscriminatory basis. No student will be denied the benefits of an educational program or activity on the basis of race, disability, gender, religion, national origin, or ethnic group.

No school within the Jackson County School System will enroll any student who is not in good standing, suspended, expelled, or subject to pending disciplinary action by any other public or private school system without the approval of the Jackson County Board of Education.

No transfer student will be officially enrolled in any Jackson County School until a determination is made that the student is eligible to attend school within the system from which he/she is requesting transfer. The enrolling Jackson County School must receive all required documents for official enrollment including an established district residence.

Transferring students will not be prevented from attending school on a temporary basis and participating in any academic or extracurricular school activities for which he/she is otherwise eligible.

## DIRECTORY INFORMATION

The *Family Educational Rights and Privacy Act (FERPA)*, a Federal law, requires that the Jackson County School District, with certain exceptions, obtain your written consent prior to the disclosure of personal identifiable information from your child's education records. Directory information is an exception. Schools and the school district may publish "directory information" without written consent after advising parents and guardians concerning the nature of the directories that may be published and the information that may be included. The primary purpose of directory information is to allow the schools and the school district to include this type of information from your child's education records in school publications such as:

- ◆ The annual yearbook;
- ◆ Honor roll or other recognition lists;
- ◆ A playbill, showing your child's role in a play;
- ◆ A special event program, showing your child's role in the event;
- ◆ Graduation programs;
- ◆ Sport activity sheets and programs, such as football programs.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies to provide military recruiters with student names, addresses, and telephone numbers unless the parents have advised the school that they do not want their child's information disclosed without their prior written consent.

The Jackson County School District has designated the following information as directory information:

- ◆ Student's Name
- ◆ Grade Level
- ◆ Participation in officially recognized activities and sports
- ◆ Weight and height of members of athletic teams
- ◆ Degrees, honors, and awards received
- ◆ Photograph

**If you do not want the Jackson County School District or its schools to disclose directory information from your child's education records without your prior written consent, you must notify your child(ren)'s school(s) in writing by August 30, 2019.**

## HEALTH CONCERNS

### MEDICATION

Students **may not** have in their possession any prescription or non-prescription medications for use at school unless authorized by a physician and/or school nurse. **All medications are required to be delivered by the parent to the school nurse or medication assistant.** Controlled substances are required to be delivered to the school nurse or medication assistant by the parent. Prescription medications are required to be in a pharmacy-labeled container and also require a medication authorization signed by the physician and parent authorizing trained school personnel to assist with the medication. Non-prescription medications are required to be in the original container and have a medication authorization signed by the parent authorizing trained school personnel to assist with medication and specific instructions for the medication. **NEW FORMS FOR EACH MEDICATION MUST BE PROVIDED AT THE BEGINNING OF EACH SCHOOL YEAR.** If there is a change in the medication or the dosage during the school year, a new form will be required.

### STUDENTS WITH SEVERE HEALTH PROBLEMS

Students who suffer from anaphylactic conditions (\*severe allergy to insect bites, stings, or foods), chronic or severe health conditions (\*\*asthma, cardiac disorders, diabetes, seizures, hemophilia), or other life threatening conditions must complete a health information form which defines the condition and any limitations placed on the student. This document will be kept on file with the school nurse.

Students who have had a severe reaction to certain foods, bee stings, etc. should have an EpiPen or EpiPen, Jr. with him/her at school at all times. Students with asthma should have emergency medication at school at all times. Parents of diabetic students must provide all supplies and authorizations necessary for the care of their diabetic student to be in compliance with the *Safe At Schools Act*. Medication forms must be completed for emergency medication.

### HEAD LICE (Pediculosis)

When head lice are discovered, the student must be sent home as soon as possible. Following treatment and removal of all nits (eggs), **the student must be brought to school by a parent/guardian (cannot ride the bus or be dropped off) where he/she will be checked by the principal or his/her designee to determine if all lice and nits have been removed. If lice or nits are still present, the student cannot remain at school.** No head checks will be done in the office of the Jackson County Board of Education. **Upon return to school,** school personnel will determine if the student is cleared of lice and nits. The principal or his/her designee reserves the right to recheck the student at any time. **Students with head lice may be excused up to three (3) days per year, not per occurrence. If the student is not clear within the 3 day period, the student will be considered truant and the parent/guardian subject to prosecution.**

## **COMMUNICABLE DISEASES KNOWN TO BE SPREAD BY CASUAL CONTACT**

Communicable diseases are those diseases that may be transmitted from person to person and are the most common cause of school absenteeism. If your child does not feel well and/or has a temperature of 100 degrees or above without medication in the morning, please keep them home. They not only are not at their best to learn, but they may infect their peers, teachers and other staff. A few guidelines to follow during the school year are listed below.

Students should stay home from school if they have:

- a fever of 100 degrees or more
- an undiagnosed rash
- vomiting, nausea or abdominal pain
- one or more episodes of diarrhea
- complains of severe earache, with or without fever
- severe sore throat with symptoms including possible strep throat
- conjunctivitis (Pink Eye)
- persistent cough
- any sore oozing fluid or pus

Students should remain home:

- for 24 hours after child is fever free without medication
- for 24 hours after vomiting and diarrhea has ended
- for 24 hours after the first dose of medications with a diagnosis of strep throat or conjunctivitis (Pink Eye)

It is important that these symptoms be recognized quickly and steps taken to prevent spreading of communicable diseases along with safeguarding the health of all students and staff. The Jackson County Board of Education follows the guidelines and recommendations set forth by the Alabama Department of Public Health Communicable Disease Chart for Alabama's Schools and Childcare Facilities.

## **COMMUNICABLE DISEASES KNOWN NOT TO BE SPREAD BY CASUAL CONTACT**

A student with a bloodborne pathogen such as Hepatitis B Virus (HBV), Hepatitis C Virus (HCV) or Human Immunodeficiency Virus (HIV) poses no risk of transmission through casual contact to other persons in a school setting. Students infected with any of these viruses will be allowed to attend school without any restrictions, which are based solely on the infection. The Board cannot require any medical evaluations for such diseases.

### **COMMUNITY ELIGIBILITY**

The following ten schools will participate in the Community Eligibility Program (CEP) during the 2019-2020 school year:

Bridgeport Elementary	Bridgeport Middle
Dutton	Flat Rock
Hollywood	Rosalie
Section	Stevenson Elementary
Stevenson Middle	Woodville

### **HOW DOES COMMUNITY ELIGIBILITY WORK?**

Community Eligibility enables schools to serve breakfast and lunch at no cost to all students and eliminates the need for schools to collect paper applications by basing reimbursement levels on “identified students”. Identified students are either:

- ✓ Directly certified based on their household’s participation in the Supplemental Nutrition Assistance Program (SNAP, formerly known as food stamps), Temporary Assistance for Needy Families (TANF, or cash assistance), or the Food Distribution Program on Indian Reservations (FDPIR).
  - ✓ Considered homeless, migrant, runaway, Head Start, or foster children.
- CEP schools must provide one free breakfast & one free lunch daily to all enrolled students.
  - Students will still be required to enter their lunch pin number to receive their meal. Pin entries are used to keep track of how many meals are served and must be counted daily for recording purposes.
  - Students will still have the ability to add money to their accounts in order to purchase any food items outside the reimbursable meal, such as snacks or seconds. Students can still have money added to their accounts via PayPams.

## **WELLNESS POLICY**

The Jackson County School District is committed to providing school environments that promote and protect children's health, well-being, and ability to learn by supporting healthy eating and physical activity. Therefore, it is the policy of the Jackson County School District that:

- ◆ The school district will engage students, parents, teachers, food service professionals, health professionals, and other interested community members in developing, implementing, monitoring, and reviewing district-wide nutrition and physical activity policies.
- ◆ All students in grades K-12 will have opportunities, support, and encouragement to be physically active on a regular basis.
- ◆ Foods and beverages sold or served at school will meet the nutrition guidelines stated in the USDA's All Foods Sold in Schools "Smart Snack" Standards and the restrictions as implemented by the Alabama State Department of Education.
- ◆ Qualified child nutrition professionals will provide students with access to a variety of affordable, nutritious, and appealing foods that meet the health and nutrition needs of students; will accommodate the religious, ethnic, and cultural diversity of the student body in meal planning; and will provide clean, safe, and pleasant settings and adequate time for students to eat.
- ◆ All schools in our district will participate in the School Breakfast Program and National School Lunch Program.
- ◆ Schools will provide nutrition education and physical education to foster lifelong habits of healthy eating and physical activity, and will establish linkages between health education and school meal programs, with related community services.
- ◆ All foods sold or served at school should have a food label listing ingredients so students with food allergies are protected from accidental exposure.
- ◆ Sharing of Foods and Beverages - Schools should discourage students from sharing their foods or beverages with one another during meal or snack times, given concerns about allergies and other restrictions on some children's diets.
- ◆ Homemade Food Items - To ensure food safety, all food to be shared with other students should be commercially prepared, prepackaged, unopened, and, when possible, individually wrapped. Foods prepared at home may be used only for individual student and staff lunches/snacks, and consumed by staff members only on a voluntary basis.
- ◆ Any food brought from home or a food establishment must not overtly advertise or identify a certain brand of food. Any food brought into the cafeteria from a fast food establishment must be taken out of the bag and wrapper. Beverages brought from home other than bottled water, milk or 100% juice must be concealed in a thermos.

## **FAMILY ENGAGEMENT**

Parents are considered to be a very important part of a child's educational process and are encouraged to submit ideas about program improvement, visit the school, participate in parent meetings, confer with teachers, and volunteer to assist when possible. Parents needing additional materials to further assist in the development of their child's education are invited to visit the Parent Center located at the Jackson County Board of Education Office in Scottsboro or contact Beth Mannon at (256) 259-9526 or email at [mannone@jacksonk12.org](mailto:mannone@jacksonk12.org).

Please join our Facebook page at [Jackson County Board of Education@JCBOEal](https://www.facebook.com/JCBOEal) for daily parenting tips and to stay tuned in. Also, follow us at Twitter [JacksonCountySchools@JCBOEal](https://twitter.com/JacksonCountySchools@JCBOEal).

All visitors to Jackson County schools must adhere to the visitor policy per school and check in at the school office upon arrival.

## **PROGRAMS FOR EXCEPTIONAL CHILDREN**

The following services are provided for exceptional children and youth in accordance with the federal and state mandates concerning education for students with disabilities:

Learning Disabilities	Emotionally Disturbed
Multiple Disabilities	Hearing Impaired
Homebound	Speech/Language Impaired
Developmentally Delayed (Preschool)	Gifted
Intellectual Disabilities	Other
Other Health Impaired	

If you are aware of a child with a disability between the ages of 0-21 who lives in the Jackson County School District and is not receiving educational services, please contact the Jackson County Schools Special Education Supervisor at (256) 259-9500.

- ◆ Special education records will be destroyed five years after the termination of the special education program for which they were used. The Jackson County Board of Education will provide public notice in the two local newspapers which will include the years of the records that will be destroyed and the date of destruction. Parents/students may obtain these records by contacting the Board of Education. Records not obtained by the date stated in the public notice will be destroyed. For more information, contact the Special Education Supervisor at 259-9500.
- ◆ Gifted students are those who perform at, or who have demonstrated the potential to perform at, high levels in academic or creative fields when compared with others of their age, experience, or environment. These students require services not ordinarily provided by the regular school program. Students possessing these abilities can be found in all populations, across all economic strata, and in all areas of human endeavor. Teachers, counselors, administrators, parents/guardians, peers, self, or any individual with knowledge of the student's abilities may refer to the local school counselor.

Additionally, all second grade students will be observed as potential gifted referrals using a gifted behavior checklist. For each student referred, information is gathered in the areas of Aptitude, Characteristics, and Performance. The information is entered on the matrix where points are assigned according to established criteria. The total number of points earned determines if the

student qualifies for gifted services. If you would like further information, please contact Chris Davis at (256) 259-9500.

- ◆ If you are aware of a child that has a physical or mental impairment and may need accommodations in his/her high school education program, this child may be eligible for 504 services. All 504/ADA matters should be referred to Chris Davis 504/ADA Coordinator at 256-259-9500.

### **TEXTBOOKS**

Textbooks are furnished to Jackson County students for all subjects in accordance with the State Sponsored Textbook Program. Each student will sign a receipt upon issuance of any free textbook. Students who lose or destroy textbooks will be assessed the replacement cost, and students with unpaid accounts resulting from lost or unduly damaged books will not be allowed continued participation in the state furnished textbooks program. If unusual or excessive damage to a textbook is evident, charges may be assessed up to, but not to exceed, the original cost.

### **THE DRUG USE PREVENTION EDUCATION**

The core of the Drug Education Program is a comprehensive K-12 health education curriculum that consists of a strong substance abuse component at each grade level. To support the curriculum, a system-wide substance abuse policy establishes clear and specific rules regarding alcohol and other drug use. Sources of assistance for drug prevention, intervention, and treatment are available through community agencies that provide drug-related services. The goal of the Violence and Drug Free School Effort is the reduction and eventual elimination of alcohol and other drug use among students.

### **LIBRARY MEDIA CENTERS**

Each school in the Jackson County School System has a library media center which houses a broad spectrum of media, including audio-visual material, equipment, instructional supplies, books, and other material deemed appropriate for curriculum requirements. Parents are responsible for lost, damaged, and overdue books and materials.

## EXTRACURRICULAR ACTIVITIES

### STUDENT CLUBS AND ORGANIZATIONS

School-sponsored clubs and organizations are under the direct control of school officials. Clubs and organizations may not be affiliated or associated with any political organization or any organization which denies membership on the basis of race, creed, color, national origin, political beliefs, or other discriminatory basis. All school-sponsored clubs and organizations must be sponsored by a certified board employee approved by the principal of the school. Every school-sponsored club must have a constitution approved by the principal of the school.

### CHEERLEADING AND ATHLETICS

Both cheerleading and athletics are provided to promote school spirit and to provide an opportunity for students to participate in a leadership development activity. Both programs adhere to the academic requirements and safety standards required by the Alabama High School Athletic Association. Cheerleading and athletic programs are under the direction of a Board employee who serves as the coach or sponsor. All functions, practices and performances will be under the direct supervision of the coach or sponsor.

Students participating in cheerleading and athletic activities must be insured under a catastrophic student accident policy. In order for a student to participate in a school activity, he/she must be in attendance on the day of the activity or absent due to circumstances beyond his/her control. This includes athletics, cheerleading, band, and other school functions.

**Any student that is removed from athletic contest due to symptoms of a concussion cannot return to the game or practice until released by a medical doctor.**

### PROM

Attendance at the prom is a privilege extended to high school juniors and seniors that carries certain responsibilities. All Juniors and Seniors attending the prom assume responsibility for themselves and their date. The minimum grade level of a prom date is 9<sup>th</sup> grade. The maximum age of a prom date is 20.

Anyone attending the prom, either as a student or date, may be asked to take a breathalyzer test or other field sobriety test. Refusal to take the test will create a presumption of violation of the sobriety policy and the student and/or date shall be punished according to the guidelines of the Jackson County Board of Education Student/Parent Information Guide.

Parents will be called immediately and the student will not be allowed to attend the prom. If a student leaves their date at the prom without transportation home (unless deemed an emergency by chaperones), the student will be disciplined the following school day based upon the reasonable discretion of the school principal after considering relevant circumstances. If a student leaves the prom within a short time of arrival, parents will be notified of the length of attendance. This is to alert parents that students were not under school supervision during the entire evening.

Persons attending the prom **MUST BE IN GOOD STANDING**, including students from the local school as well as other attendees. If the principal of a student attending another school will not sign that the student is in good standing, this student will **NOT** be allowed to attend the prom. Reasons and explanations that would result in a student not being in good standing are as follows:

- ◆ Excessive Truancy – if the system attendance officer has filed a court action against a student or if the person is 18 or older and has been sent to the Alternative school for truancy
- ◆ Loss of Prom Privileges – any student with 15 unexcused days will not be permitted to attend prom.
- ◆ Major academic issues – if a student is not on track to graduate with his/her cohort due to grades
- ◆ Discipline issues – if the student has been sent to the Alternative school for a total of six accumulated days or more during a school year
- ◆ Individuals will not be allowed to attend the prom if major violations are found during the background check or if the principal has justifiable reasons.
- ◆ If a date does not attend school, he/she must pay for a Social Trace Background check and results must be returned to the school by the due date for other prom forms.
- ◆ The prom is a formal event and both students and dates should dress accordingly. Accepted attire for gentleman is a tuxedo, suit, or sports jacket and dress pants. Accepted attire for ladies is formal dress, cocktail dress, dressy pant suit or church dress.
- ◆ Tattoos are allowed to be shown if located in an appropriate place on the body. Visible tattoos should not be vulgar or inappropriate.
- ◆ Piercings are allowed according to guidelines in the Jackson County Board of Education Student/Parent Information Guide which states ONLY in the ears.
- ◆ Any drug/alcohol offence during the school year will result in the student not being allowed to attend the prom. This includes students testing positive through the drug testing program.
- ◆ Anyone choosing NOT to abide by this Prom Policy will be asked to leave the prom and will not be given a refund for costs incurred.

## ACADEMICS

The instructional program in Jackson County Schools is based on the standards required by the Alabama College and Career Ready Curriculum. The grading scale is based on the mastery level of the skills, concepts, and knowledge set forth by those standards.

### THE UNIFORM GRADING SCALE:

S = Satisfactory	A= 90 - 100%
U = Unsatisfactory	B = 80 - 89% Above Average
N = Needs Improvement	C = 70 - 79% Average
	D = 60 - 69% Below Average
	F = 0 - 59% Failure

### ACADEMICS: KINDERGARTEN

Kindergarten students will receive skills-based, developmentally appropriate report cards.

### ACADEMICS: GRADES 1-12

Numerical grades will be given for all academic subjects. Numerical grades will be the basis for all academic rankings at the high school level. Progress Reports will be issued every four and one-half weeks, and report cards will be issued every nine weeks. Academic subjects are those that fall into the categories of Language Arts, Mathematics, Sciences, Social Studies, Career Technical including Technology and Foreign Language. Language Arts refers to Reading, Writing (composition), English Grammar, Spelling, Handwriting, and Speaking. Since these components are all a part of language, they are taught in combination in grades K-8. However, progress in reading will be reported as a separate grade for Kindergarten through grade six. Schools may elect to continue reporting a reading grade in grades 7 and 8.

### SEMESTER EXAMS

Semester Exams are designed to evaluate student mastery of the skills, concepts, and knowledge included in the Alabama College and Career Standards.

Semester Exams are required for all classes for which an academic credit may be earned. Semester exams are given twice per school year in year-long classes (full credit) and once per school year in half-year classes (half credit).

Semester Exams will count 10% of each semester's average in year-long (full credit) classes (each semester average being 50% of the final class grade).

Semester Exams in half-year (half credit) classes will count 10% of the final grade.

Semester Exams in half-year classes that award a full credit will count 20% of the final grade.

**Students may have the option of being exempt from the semester exam if one of the following criteria are met:**

- Have perfect attendance and a passing grade in the class up to the date of the semester exam
- Have an A average and no more than three excused absences in the class up to the date of the semester exam
- Have a B average and no more than two excused absences up to the date of the semester exam
- Have a C average and no more than one excused absence up to the date of the semester exam

Exempt students will have the option of taking the semester exam and dropping the score.

**No exemptions for semester examinations in a class will be given to:**

- Students with an unexcused absence in the class
- Students who have been referred to the Alternative School or Saturday School
- Students in a class that is a weighted class

### **REPORT CARDS**

Report cards are an evaluation of student progress provided to the student and his/her parent(s) or guardian(s). Grade reports will be issued at the end of the nine-week grading period, and progress reports will be issued at the midpoint of this period. Grade and progress reports will be released according to a schedule recommended by the Superintendent. Students and parents/guardians are responsible for returning report cards to school personnel within five school days after they are issued. If a non-computerized report card is lost or damaged beyond use, an initial replacement report card will be completed and re-issued for a \$2.00 fee with subsequent replacement cards at \$5.00 each. Computerized report cards will be replaced for a \$2.00 fee.

### **CLASS RANKING**

Class ranking for graduating seniors will be determined by calculating the average of all numerical grades received for valid courses. The student grade averages will be listed in descending order with the highest average being designated as first.

### **PARENT ACCESS TO STUDENT GRADES**

The Jackson County Board of Education utilizes an online program for recording academic grades for students. Parents may view their children's grades online during the school year. In order to maintain the confidentiality of the academic records, the program is password protected. Parents may obtain a user name and password for the program by going to the office of their child's school.

## **LOCAL SCHOOL FEES FOR ELECTIVE COURSES**

Driver Education	\$40.00 per course
Science Lab	\$30.00 per course
Computer Science	\$30.00 per course
Career Technical	\$40.00 per semester
Parking	\$10.00 per year

## **PROMOTION AND RETENTION POLICIES**

The Jackson County Board of Education is committed to provide an academic program that will encourage students to progress from Kindergarten to graduation within a span of thirteen years. Most students will follow this progression without interruption; yet, some students will not meet criteria for promotion from one grade to the next.

Teachers notify the principal of all proposed retentions. The principal, teacher(s), and other staff members (PST-Problem Solving Team) will meet to determine the best action for the student. The PST will review report card grades, standardized test scores, age and maturity, special education eligibility, and other factors that are pertinent to the retention or promotion of the student. Promotion or retention will be a team decision with emphasis placed on student performance in math, reading, and language.

### **LOSS OF CREDIT DUE TO NONCOMPLIANCE OF ATTENDANCE**

Any student enrolled in grades K-8 who accumulates more than 20 unexcused absences per year is subject to being retained in the same grade of school the next year. The final decision rests with the PST Team.

Any student enrolled in grades 9-12 who accumulates more than 10 unexcused absences per semester in any course or subject in any year is subject to losing credit for the work in that course. The final decision rests with the PST Team.

### **WITHDRAWAL OF STUDENTS DUE TO EXCESSIVE UNEXCUSED ABSENCES**

The district level attendance staff should be notified of any student between the ages of six (6) and seventeen (17) who has accumulated ten (10) consecutive absences. The attendance staff will work with the school, parent and student to address the absenteeism. Only the Department of Student Services can authorize a withdrawal for excessive unexcused absences.

### **SPECIAL EDUCATION**

Promotion of any student in a special education program must be based on the student's accomplishments of goals stated in the IEP (Individualized Education Plan) in conjunction with all other regular program requirements. However, a special education student may not be placed at any grade level unless the student has attended school for a commensurate number of years equal to the proposed grade placement (i.e. for a special education student to be placed at the sixth-grade level, he/she must have been enrolled in school for at least five (5) years).

### **CREDIT RECOVERY**

Credit recovery in Jackson County is a course-specific, skill-based extended learning opportunity for students who have attempted an academic class but were unsuccessful in mastering the content or skill required to receive course credit or to earn promotion. Only students with an Individualized Education Program (IEP) will be allowed to enroll in the Essentials Pathway courses and the Alternative Achievement Standards (AAS) Pathway courses.

General Education students who have previously taken Essentials Pathway Courses (currently in grades 10, 11, and 12) will not count in calculating the future U.S. Department of Education Four-Year Cohort Rate for their respective graduation year (2018, 2019, and 2020). Students with disabilities will continue to have all three pathways from which to choose, depending on their individual needs.

The Alternate Achievement Standards (AAS) Pathway allows students access to credit-eligible courses to meet the required courses in English Language Arts, Science, Social Studies, and Math. Students participate in:

- AAS Life Skills
- AAS Pre-Vocational
- AAS Vocational
- AAS Community-Based Work Instruction

Students in this pathway take the Alabama Alternate Assessment.

Students following this pathway must have an Individualized Education Program (IEP).

6. The Alabama Dual Enrollment Course/High School Subject Area Equivalency List [Link to Dual Enrollment ALSDE memo](#) may be updated annually, which identifies dual enrollment courses taken through the Alabama Community College System (ACCS) that may satisfy one or more Alabama High School Diploma graduation requirements. This list may also be found at [www.alsde.edu](http://www.alsde.edu)

## ATTENDANCE POLICY

The Jackson County Board of Education believes attendance is a key factor in student achievement. Thus, any school absence represents a loss to the student. Regular attendance is essential for each student's progress in the instructional program. It is the responsibility of the parent/guardian to make sure that their children arrive on time each day at school.

### EXCUSED ABSENCES

In accordance with state law, only the following absences will be considered excused absences, provided that in each instance parental confirmation has been received stating the reason for the absence:

- ◆ illness
- ◆ death in immediate family
- ◆ inclement weather which would be dangerous to the life or health of the pupil as determined by the principal
- ◆ legal quarantine or emergency condition as determined by the Superintendent or principal
- ◆ **prior** permission of principal upon request of parent/guardian (i.e. participation in school sponsored activities)

### UNEXCUSED ABSENCES

Absence for reasons other than those defined above will be considered as unexcused. Parents will be required to explain in writing all absences within two days following the absence. Failure to do so will result in the absence being classified as unexcused. It is the parent's responsibility to make sure the note or fax is received at school.

### K-8 MAKE-UP WORK

Grades should reflect a student's academic performance. Students are expected to complete, to the best of their ability, all work, tests and other assignments given by their teachers. Students are expected to attend school. Any absence will be counted against their attendance record. Within three days after an absence, arrangements must be made to complete missed assignments at a time agreeable to the teacher. Teachers are not required to reteach lessons, but students will be given a reasonable opportunity to learn the lesson missed due to absences.

### GRADES 9-12 MAKE-UP WORK -- EXCUSED ABSENCES

If a student is absent for any **excused** reason as defined above, the student **will be allowed** to make up all major assignments and other work missed during said absence(s) at a time agreeable to the teacher(s). Teachers will not be required to reteach lessons, but students will be given a reasonable opportunity to learn the lessons missed due to excused absences.

The student will be responsible for contacting the teacher(s) to make arrangements to complete missed assignments.

**Time limit: Arrangements to acquire missed assignments must be made within three days after the student returns to school from an excused absence.**

## **GRADES 9-12 MAKE-UP WORK -- UNEXCUSED ABSENCES**

Teachers will **NOT** provide make-up work or examinations for students absent for **unexcused** reasons. Teachers, at their discretion, may require students absent for unexcused reasons to make up homework, class work, etc., on a non-credit basis in order to help such students maintain academic pace. Teachers will not assign zeroes to students absent for unexcused reasons on an automatic basis; zeroes may be assigned to such students only when other classmates receive grades for homework, examinations, recitation, etc.

## **TRUANCY GUIDELINES**

### **ALABAMA COMPULSORY ATTENDANCE LAWS**

“Every child between the ages of 6 and 17 shall be required to attend a public school, private school, church school, or be instructed by a competent private tutor for the entire length of the school term in every scholastic year....” *Section 16-28-3. Code of Alabama, 1975*

“Any parent or guardian who enrolls a student in school shall be responsible for the student’s regular attendance and proper conduct.....” *Section 16-28-12, Code of Alabama, 1975*

Truancy is the unlawful absence from school. In accordance with the Jackson County Board of Education Policy Handbook, the parent/guardian is responsible for requiring any student under his/her control or charge to attend school. If students do not attend school, the following criteria will be used:

#### **1. First Unexcused Absence (warning)**

The Parent/Guardian will be notified of the unexcused absence and a request will be made for a written excuse. Notification process will be determined by the school administration.

#### **2. Third Unexcused Absence (warning)**

The Parent/Guardian will be required to attend a meeting at the local school with the Truancy Officer or his/her designee. Failure to attend this meeting may result in a home visit by the Truancy Officer and a representative from the Jackson County Sheriff’s Office.

#### **3. Fifth Unexcused Absence (court)**

The Parent/Guardian will be referred to the Early Warning Truancy Prevention Program at the Juvenile Court in Scottsboro, Alabama. Failure to appear before the Court may result in a complaint/petition being filed in the Juvenile Court System.

#### **4. Ten Excused Absences** that are questionable, will require an administrative conference with the Parent/Guardian.

**Parent notes will be accepted for three days per semester.** Any additional days absent must be verified by a professional in order for absences to be excused.

### **Grades K -8**

Five unexcused tardies\*, five unexcused checkouts\*\*, or any combination of unexcused tardies and unexcused checkouts which total five will result in a parent conference at the Jackson County Board of Education to discuss this truancy issue with the Attendance Officer. If the parents fail to attend this conference, Saturday School may be assigned to the K-8 students.

### **Grades 9-12**

Five unexcused tardies\*, five unexcused checkouts\*\*, or any combination of unexcused tardies and unexcused checkouts which total five will result in the student being referred to Saturday School. Students who fail to appear at Saturday School will be referred to Alternative School for three days and will be required to attend Saturday School the following Saturday.

If a student receives a 6<sup>th</sup> unexcused tardy, unexcused check-out, or a total of six unexcused tardies and unexcused check-outs combined **during the school year**, he/she will be referred back to Saturday school for a period of one day for each unexcused tardy or unexcused check-out.

**A student will only be referred to Saturday School three times during the school year. The student will then be sent to the Alternative School as determined by the principal.**

**Students with head lice may be excused up to three days per year not per occurrence. If a student is not free of lice within the three day period, the student will be considered truant and the parent/guardian subject to prosecution.**

**\*Tardies are defined as arriving after school has started, or arriving late to any class.**

**\*\*Checkouts are defined as leaving school and/or class any time during the school day.**

### **STUDENT CHECKOUT**

**When checking out a student, the parent or guardian should come to the office and follow the school's approved checkout plan. Parents should not interrupt a class session by going directly to the classroom.** Office personnel will locate the student. If school officials can make a positive identification that the parent is giving permission for a student to leave, the student may check out. Students must be given permission in the office to check out. Students should not be checked out early during last period just to avoid traffic.

### **MARRIED STUDENTS**

Married students are eligible to attend the Jackson County School System and participate in regular school programs. Such students must maintain a responsible relationship to the school and other students and will be expected to abide by all rules and regulations applicable to all students.

## **PREGNANT STUDENTS**

For the protection and safety of the mother and unborn child, it is the responsibility of the student to notify the principal as soon as possible after the pregnancy has been confirmed.

A pregnant student will be permitted to attend school and to participate in regular school programs until such time that the student's school attendance and participation in school programs endanger the health and safety of the student or the unborn child, as determined by the student's physician. Special educational programs may also be designed to meet special needs of these students. Participation may be encouraged but may not be made mandatory.

If the pregnant student chooses to remain in school during the semester in which she expects to deliver the child, her attendance will be governed by the same attendance policies, rules, and regulations that govern other students. A pregnant student is not automatically eligible for homebound services.

The pregnant student who remains in school during the pregnancy must be under the direct care of a licensed physician. Also, the pregnant student will be expected to fulfill the following responsibilities:

- ◆ Provide the principal with a written statement from the physician. This statement should include the physician's recommendation concerning school attendance for the pregnant student and confirmation of the expected date of delivery.
- ◆ Consult monthly with the school principal or counselor.

To be readmitted to school after the delivery, the student should have a written statement from her physician recommending her re-admission.

## **HOMEBOUND SERVICES**

For a student to be classified as "Homebound," the following criteria must apply:

- ◆ expected absence from school for at least six weeks
- ◆ a physician's note verifying the illness
- ◆ completion of the Homebound Student Referral Form requesting a homebound teacher

Once the form has been submitted, the eligibility committee will convene to determine eligibility status. A student approved for homebound study will be marked present in the school attendance register while on such an approved plan of study.

## **STUDENT RECORDS**

Student records should contain information necessary to make appropriate educational decisions for the students. Student records are to be treated confidentially and should contain only information that is relevant, accurate, and appropriate. Release of records of students under 18 years of age who attend an elementary or secondary school requires the signature of the parent/guardian except when released to other educational institutions or when subpoenaed by the courts. In any other instance, the only student information released by the school will be directory information pertaining to student awards or honors and will contain only the student's name, address, grade level, and parent/guardian name.

**RESPONSIBILITIES OF STUDENTS, PARENTS, AND GUARDIANS ARE:**

- ◆ to inform the school of any information that may be useful in making appropriate educational decisions
- ◆ to authorize the release of pertinent information to those individuals or agencies that are working actively and constructively for the benefit of the student

**RIGHTS OF STUDENTS, PARENTS, AND GUARDIANS ARE:**

- ◆ to inspect, review, and challenge the information contained in records directly relating to the student
- ◆ to be protected by legal provisions which prohibit the release of personal identifiable information to other than legally authorized persons without the consent of the parent/guardian, or eligible students (those 18 years of age or older) unless required by law
- ◆ The Jackson County School System will adhere to the policies and procedures of the *Every Student Succeeds Act of 2015* regarding “persistently dangerous school” as defined in *ESSA*. Students who attend schools identified as a “persistently dangerous school” or a student who is the victim of a violent criminal offense committed on school campus during school hours or at school-sponsored activities shall be given an opportunity to transfer to a safe public school within the LEA.

For more information regarding “persistently dangerous school” and/or general school safety issues, please contact Mrs. Rhonda Wheeler at the Jackson County Board of Education or call 256-259-9500.

**DUE PROCESS**

A student must understand appropriate and inappropriate conduct; therefore, the rules and regulations of the Board of Education governing student conduct will be distributed to the students and parents/guardians, and posted in a prominent place. Prior to any suspension:

- ◆ the principal or his/her designee will advise the student in question of the particular misconduct and the basis for accusation.
- ◆ provide the student an opportunity to explain his/her version of the situation.
- ◆ any student whose continued presence in the school poses a danger to persons or property or is an ongoing threat of disruption to the academic process will immediately be removed from the school premises without benefit of the above procedures.

The necessary procedure will follow as soon as practicable.

**STUDENTS RIGHTS ARE:**

- ◆ to be informed of rule violations and given the opportunity to present evidence in their defense
- ◆ to appeal disciplinary actions (All appeals should be made in accordance with the appeals and grievance procedures.)

## **STUDENT GRIEVANCES**

The Jackson County Board of Education believes students have both the right and responsibility to express school-related concerns and grievances to the faculty and the administration. Students will be assured the opportunity for an orderly review of grievances. Students should request an appointment with the principal or his/her designee that will not interfere with the regularly scheduled classes or school activities. The faculty and administration will strive to resolve student grievances; however, when the grievance cannot be resolved at the local school, students will follow the system's grievance procedure.

## **STUDENT CONDUCT**

The Jackson County School System enforces a uniform code of student conduct which is vital to academic excellence to provide an environment free from distractions caused by disruptive behavior.

Creating such an environment requires the cooperation of the parents/guardians, students, the Board of Education, and all employees of the school system. It is important that each person connected with the school understands the importance of a consistent set of behavior standards in order to establish and maintain a positive environment. As students progress in our school system, it is reasonable to assume that an increase in age and maturity will result in the students assuming greater responsibility for their actions. It is recognized that differences in age and maturity require different types of disciplinary action; however, the procedures identified will apply to all students in grades K-12.

### **JURISDICTION OF THE SCHOOL BOARD**

Jackson County students are subject to the policies of the Jackson County Board of Education and to the rules and regulations of the schools. This authority applies to all school-sponsored activities, including but not necessarily limited to:

- ◆ **regular school activities**
- ◆ **transportation on school buses**
- ◆ **field trips**

## **PRIVACY AND PROPERTY RIGHTS**

Federal and State law provide persons with reasonable expectation of privacy in addition to freedom from unreasonable search and seizure of property. Such guarantees are not unlimited and must be balanced by the school's responsibility to protect the health, safety, and welfare of all students. If warranted, students' person, lockers, and cars will be searched.

Office permission is necessary for a student to ride a bus other than the assigned bus. Permission will be given only if the student has a note from the parent/guardian stating the reason.

## **CLASSIFICATION OF VIOLATIONS AND SANCTIONS**

It is fundamental that an orderly school has clearly defined behaviors to which students must conform. Nonconformity to these behaviors becomes violations of the Code of Student Conduct. Violations are grouped into three classes (Class I, Class II and Class III) which range from the least to the most serious. Appropriate school personnel will investigate, verify, and take the necessary action to resolve student misconduct. After determining a violation and the classification of the violation, the principal or his/her designee should implement the appropriate sanction. Violations apply to student conduct on a school campus, at school sponsored events, or while being transported to or from school or school sponsored events.

Below is a listing of each class of violations and possible sanctions. As the violations increase in seriousness, the severity of the possible sanctions increases. The Board will define the conduct necessary to establish a violation. Principals have both the authority and the duty to take disciplinary action whenever the behavior of any student interferes with or disrupts the educational environment within the school or other school-sponsored events. Notice of the rules and regulations existing in each school will be disseminated to students and parents in a wide variety of ways (student assemblies, PTO meetings, public address announcements, student handbooks, etc.). The parent/guardian of each student will document the receipt of the discipline policies governing their child as provided by Alabama Code 16-28-12.

Applications of disciplinary regulations will at all times reflect fair and reasonable exercise of authority, being neither arbitrary, capricious, discriminatory, nor otherwise unreasonable. Procedural due process, to the extent of its applicability in any particular situation, will be afforded all students prior to imposition of punishment. The degree of due process afforded will be commensurate both with the gravity of the offense and the severity of the contemplated penalty, as outlined in the Board's policies relative to suspension, expulsion, and corporal punishment.

No student will be denied the right to participate in the school food service program as the result of disciplinary action. Reasonable detention under teacher supervision at the close of the school day will be authorized for all schools. If a student is to be detained after normal school hours, the parent/guardian will be notified in advance. Detention will not interfere with a student being transported by bus, except with prior notice to and/or permission of the parents. Students unable to remain after school due to these reasons will receive alternate punishments.
