

NUMERACY ACT UPDATE

WHAT IT IS:

- Created to improve our math scores across the state. AL ranked 52nd in 2019.
- Looks at 3rd-5th grade Math ACAP scores.

WHAT IT REQUIRES:

- Principal and teacher training
- Summer school for those struggling.
- State-approved progress monitoring, intervention, and specific curriculum.
- Math coach in every K-5 school.

1

Summer school is designed for students who struggle in reading in grades K-3 and students who struggle in math in grades K-5.

2

Math Coaches have been added to Hollywood, Bridgeport Elem, Bridgeport Middle, Rosalie, Section, and Flat Rock.

3

I expect more math coaches to be added throughout the year.

*Math coaches are 10 month employees.
